Major changes:

- No major changes.

So far:

- We submitted the position paper! Acceptances come out March 1st.
- We have begun work on the new In-Sight system.

Milestone: We're currently meeting our milestones.

Surprises: A bit of a surprise was how hard making the position paper accessible was, but we are now through that.

Looking Ahead: We're planning to continue development of the new system.

Revisions to further milestones: No anticipated revisions to milestones yet.

Resources needed: No resources needed.
